## BREACHING COURSE

### A FORCE FOR ORDER

Over the past decade, training has become a major priority for law enforcement and corrections officers. At the CTS Training Institute (CTSTI), we take training seriously advocating preparedness before the worst case scenario unfolds. CTSTI is "A Force for Order" combining product tools with knowledge and techniques. It prepares the individual officer for the situation while addressing policy and procedure for the agency managing the risks.

#### **1 Day Breaching Class \$150.00**

This is an operator course designed for hands on training. Course is a blend of classroom as well as range exercises. Students may bring breaching tools, but not required.
